Working Together to Create Success; Empower, Achieve, Celebrate!

From the Principal

Dear Families,

We look forward to meeting with you and your students during Parent/Teacher Conferences on Thursday, Oct. 18 and Friday, Oct. 19, which are early dismissal days. Students are encouraged to attend conferences with you so that they can share their goals and progress and be a part of the discussion about learning. Attending conferences is a great opportunity for us to work together to ensure your child has a successful year. In addition to discussing your child's goals, report card, and portfolio work samples, consider asking questions such as:

1. Is my child participating in class discussions and learning activities?
2. How is my child being challenged/supported to reach his potential?
3. Is my child handing in homework on time?
4. What can I do at home to help support his academic progress?

Conference information was sent home this week, asking your choice of conference times. Please send the paper back with your response, as we will schedule conference times next Wednesday and send confirmation notes home to you on Thursday, October 11.

Sincerely,
Ms. Holdsworth
